type White

producer Foothills Vineyards

winemaker Bernard le Roux

taste Fruity

wine of origin Stellenbosch

tasting notes

A white Bordeaux blend perked up by the inclusion of Viognier. The essential freshness and drinkability of Sauvignon/Semillon is there, but with added aromatics and flavour which demand your attention. There's apple and pear at core, but also a slightly savoury element from lees contact, all brightened by Viognier's exotic perfume and tropical flavour.

blend information

Sauvignon Blanc, Semillon, Viognier

food suggestions

The tangy acidity promises enjoyment with a variety of different kinds of food.
