type White

producer Foothills Vineyards

winemaker Bernard le Roux

taste Fruity

wine of origin Stellenbosch

tasting notes

Each part of this complex white blend has been carefully chosen for its contribution to the flavours, because this is the most popular wine in the range, has the widest appeal. In essence it is a white Bordeaux blend of Sauvignon Blanc for leafy freshness and Semillon for palate weight, with 12% Viognier added to lift the aromatics, give some floral notes and gentle tropical flavours. The light savoury element comes from lees contact.

blend information

88% Sauvignon Blanc, 12% Viognier

food suggestions

To be drunk solo or with a variety of different foods, a big part of its appeal is its versatility.
